1.3 Hints
<p>To activate your access authorization, you must authenticate yourself with your KIT-account on the following website: https://bwidm.scc.kit.edu</p> <p>For the use of resources the Wiki and/or the web pages of the appropriate computer system are to be considered. Please be aware that your HPC-Course-Account may only be used to allow access on the above specified clusters to the course participants. SCC also stores personal data for operational reasons (billing, error analysis, resource planning and operational reliability). If violations of the user guidelines or legal provisions are detected, this may result in criminal consequences for the affected users.</p>

1.4 Declaration

You agree to require course participants to comply with the KIT IuK regulations.

See http://www.kit.edu/downloads/201310_IuK_Ordnung_engl.pdf

I am aware that the provisions of the Foreign Trade Act (AWG) and the Foreign Trade Ordinance (AWV) must be observed for the use of the clusters.

See https://www.bmbf.de/upload_filestore/pub/supercomputer_und_exportkontrolle.pdf and https://www.bafa.de/DE/Aussenwirtschaft/Ausfuhrkontrolle/Academia/academia_node.html

You agree to observe both provisions (AWG and AWV) on assignment of course accounts. Course participants who, when using the HPC systems, violate the two regulations, must be immediately withdrawn access to the said HPC systems.
