

SCC-Announcements

The Steinbuch Centre for Computing (SCC) has unified the way of forwarding information about maintenance, important changes and incidents concerning services which are operated from SCC for KIT.

Such operational messages are sent to a KIT mailing list scc-meldungen-en@lists.kit.edu and published on our message website <http://www.scc.kit.edu/en/servicedesk/announcements.php>.

Please subscribe to the above-mentioned mailinglist if you like to get information via e-mail. You can also subscribe RSS-Feed, instructions for both are attached below.

Instructions

Mailinglist:
